Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 20 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy tonight and into tomorrow.

This Evening and Tonight:
Staying unsettled for all during the evening and throughout the night with persistent rain. Windy, especially in southern parts of the region. A mild night. Minimum temperature 9 deg C (48 deg F).

Friday:
Windy with further outbreaks of rain, heavy at times. Rain and winds gradually easing into the night, with most places dry by the early hours. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Calmer on Saturday, with scattered showers and sunny spells. Turning unsettled again on Sunday as a band of heavy rain arrives with strong winds. Monday will see frequent showers.
